“By modeling story time for parents, engaging our students in hands-on crafts, and providing each of our 80 Pre-K children with a free book to build their home library, [RTS has] strengthened not only literacy skills but our sense of community.”

–Robin Newell, Cason Lane Pre-K Principal

“I’ve loved seeing students grow more confident and expressive in such a warm, supportive environment. Their excitement and the sense of community they build in class are truly inspiring. I’m grateful to be part of their journey and thrilled that I get to teach ESL to such dedicated learners.”

–Nancy, ESL Tutor
